

SUMMER 2022: After a successful in-person Summer'21, BBASI Program Planning & Preparing continues to evolve as all Program elements are evaluated within the context of current scientific guidance of relevant authorities and ongoing uncertainty related to Covid-19/global events. Reasonable program precautions and modifications should be expected, but can't be identified at this time. Additional guidance is available on www.BolshoiBalletAcademy.com on Program specific pages and FAQ tab. You can also contact the Program Director for details of the protocols/policies/modifications which were in-place for the Summer '21.
